## Laboratory Technician 1

---

We are currently accepting applications for a Laboratory Technician 1 in our **Chilliwack, BC Laboratory**. This is an hourly part time position reporting to the Supervisor of Laboratory Operations.

**The major responsibilities of the position will involve:**

- Conducting routine laboratory tests on milk samples.
- Performing non-technical lab duties related to the analysis of milk samples.
- Assisting in any laboratory duties as required by laboratory supervisor.
- Performing clerical duties and other duties as assigned.

**The successful candidate will meet the following requirements:**

- Minimum one year working experience, preferably in a lab or service environment.
- Completion of a technical diploma or advance studies in science.
- Strong verbal, written communication and interpersonal skills.

The ideal candidate will be a hands-on, highly motivated individual, with the ability to work well with others. This individual should also be alert and detail-oriented.

We offer a competitive salary along with a stimulating and progressive work environment.
