

## HARM KELLY

---

Harm and his wife Petrina, with their six children, operate a go cow dairy and cash crop farm in Dunnville, ON with his parents and brother.

Harm attended Brock University where he studied biological psychology and worked on research projects in two research labs at Brock University. Harm also attended the University of Waterloo where he received his M.A. in Cognitive Neuroscience. Harm was a participant of the Future Leaders' Program sponsored by DHI, DFO, EastGen and Holstein Canada.

Harm joined the CanWest DHI board in 2016 and was appointed to Canadian Dairy Network's DairyGen Board in 2017.

Harm can be contacted at:
