

We are currently accepting applications for an hourly full-time, on-farm Customer Service Representative (CSR) in the Greater Stonewall area, InterLake Region of Manitoba.

Lactanet is a producer owned organization, providing innovative dairy herd management and genetic services to more than 10,000 dairy farm customers and professional advisors throughout the country. We are 475-employee organization. The Customer Service Representative's primary responsibility is to meet Lactanet customer needs with fast, accurate, and useful information. In this role, you will be working directly on-farm. Candidates who enjoy farming, cows and rural road travel who can maintain organization and communication remotely will excel in this position.

In this role, you will:

- Visit dairy farms daily to sample milk, collect data, and promote our dairy herd improvement services to dairy producer customers.
- Assist and provide additional information to customers about the interpretation and application of data collected.
- Independently arrange your administrative, travel and scheduling tasks.
- On the job training provided.

Position Requirements:

- Diploma in agriculture would be considered an asset.
- Practical knowledge and working experience in the dairy industry.
- Strong customer service and interpersonal skills.
- Proficiency with computers with high speed internet at home.
- Valid driver's license and dependable transportation.
- This position may require occasional heavy lifting of up to 75 lbs.
